Hope

The good
seed will
grow.

Where do I sense hope, encouragement and growth in my role?

By looking back over the past few months, I may be able to see which activities and occasions have produced rich fruit. If I do notice such areas, I will determine to give those areas both time and space in the future.

Failures? Learning Opportunities

The good
seed will
grow.

Most of us are hard on ourselves. Self judgement can be unrelenting especially when we make mistakes.

Mistakes are part of life and may turn out to be breakthroughs.

Pause and consider what did I learn here? Was there an opportunity for learning?

In the words of Oscar Romero

This is what we are about,
We plant the seeds that one day will grow.
We water seeds already planted,
Knowing that they hold future promise.

We cannot do everything, and there is a sense of
liberation
In realizing that . This enables us to do something,
And to do it very well. It may be incomplete,
But it is a beginning, a step along the way,
An opportunity for the Lord's grace to enter and
do the rest.

The good
seed will
grow.
